September 19: Pancake Breakfast 8:30-12:00 in the cafeteria

September 27th: No School / Staff Retreat

September 28th: \$2.00 Dress Down Day

UPDATES AND REMINDERS:

Covid Protocol Update: Please see the email I sent earlier today for an update on our Covid protocols as we are seeing cases increasing. This email includes some potential scenarios that I want you to be prepared for in the event our Covid numbers continue to increase.

Pancake Breakfast: The Knights of Columbus are hosting a pancake breakfast from 8:30-12:00 on Sunday September 19th in the school cafeteria. The knights will be serving pancakes, sausage, eggs, fruit, egg casserole, French toast, milk, juice, and coffee. The cost is \$8 for adults, \$20 for a family, and children under 3 are free. There will also be raffle prizes! See the attached flyer for more information. We hope to see you there!

Photo Orders: There is still time to place your photo order from picture day! Ordering online is easy, visit inter-state.com/FlyerEntry/62203PF

Continued Pick up and Drop off issues: If you pick up your child by parking in the south parking lot outside of the gym, please do not block other cars in by idling in the middle of the parking lot. If there is not a spot to park, there is always room in the parish parking lot or street parking on the west and north sides of the building. Please be considerate of all and continue to follow traffic laws.

Also, the fire lane is a no parking zone no matter what time of day it is. If you are late dropping kids off and no one else is parked on the street, the fire lane is still a no parking zone. If you are picking your child up early and no one is parked on the street, the fire lane is still a no parking zone. Emergencies can and have happened at all times of the day, not just during drop off and pick up. You may think, "What are the chances there will be an emergency while I am parked here?" Last year a parent was dropping students off late and parked in the fire lane. While parked there, we had to call EMTs because a teacher had collapsed. The ambulance and fire truck were not able to park in the fire lane because of this, costing them and our teacher valuable time. I am not adamant about this to be petty; I am adamant about it because failure to follow traffic laws could cost one of the teachers or one of the students their quality of life or their life. I will not risk the safety of the people in this building for the sake of convenience no matter how small the chances are of it happening.

Dinner Auction Raffle Tickets: Each family received raffle tickets to sell for our annual Dinner Auction. The Dinner Auction is the main way we are able to raise money for tuition assistance. It is also how we are able to have affordable tuition. In order to maintain our tuition rates and in order to provide tuition assistance to over 45% of our families, we rely on the funds from this event and especially the raffle ticket sales. Please consider selling or buying for yourself, these tickets. First prize is a \$2500 shopping spree in the form of Scrip Gift Cards. Second prize is a 65" Hisense UHD 4K Smart TV. Tickets are \$20 for one or 3 for \$50. If you sell all of your tickets, great! However, you can always ask for more and keep on selling. **The class with the most ticket sales will get a great reward!!**

Curriculum Night: Some of you have noticed that there is no Curriculum Night on the calendar. I decided not to put it on the calendar until I had the chance to bring it up at the Home and School meeting. I asked parents if they preferred the pre-Covid in person Curriculum Night or if they preferred last year's videos sent home to watch at your leisure. The overwhelming feedback was that parents preferred the videos over coming to school (come to Home and School meetings and you, too, can be part of these conversations and decisions!). Therefore, teachers will send out a video explaining what their class expectations, goals, curriculum, and procedures are by the end of this month. I will let you know when those are available!

VOLUNTEER OPPORTUNITIES:

PLEASE READ THE FOLLOWING MESSAGE FROM KRISTEN LEBEDA-SVEHLA OF THE ATHLETIC CLUB-

If anyone is looking for service hours I have tons of games that need workers. The ones listed below are the ones I have just myself and Addi. I could use at least one more person for each if not 3. I have workers for the others with our teams but if anyone else would like to volunteer I can gladly have them work as our parents get plenty of hours with what we have.

Please let me, know my number is 402-659-5888 if they need to get a hold of me. Please show up 10 min before game time.

Assignments are:

- Gate-collect money as fans enter building
- Concessions -run the concession stand (some games have hot food served, other have just candy and drinks)
- Clock/scoreboard- volleyball games you just need to press the +1 (score)each time the ball drops according to the refs signal. Games go to 25 points. There is not a time clock to turn on and off.

I am keeping a volunteer spread sheet I will send at end of season for those who worked games.
