MEET & GREET

Mrs. Kathy Graeve, Music

My name is Kathy Graeve and I am from Neola, IA. I will be teaching music part time. I have taught over 25 years full time and currently teach private piano, guitar, and accordin lessons to several home-school families. I am a mother to two daughters who are both married. I have 4 wonderful grandchildren. I am happy to be given this opportunity to be back in the classroom and serve the Lord with my gift of music. My Catholic faith is very important to tme and I am thankful to be back in a lovely Catholic School here at St. Bernard.

FUN FACT:

I can read music upside down from teaching guitar students so many years and sitting across from them while reading the music on a coffee table in front of them.
